

VISION

CAGAYAN DE ORO CITY HEALTH OFFICE – The nations ideal public health care service provider to ensure healthy and empowered Cagay-anons.

MISSION

We, the Health care managers and providers pledge to deliver quality health care through regulative, preventive, curative and rehabilitative services. To attain our mission, we subscribed to the following values:

- Equality / Liberty
- Knowledge / Insight
- Self-actualization
- Service / vocation

Strategies:

1. Efficient delivery of preventive health care programs for all ages
2. Institutionalizing health rehabilitative services
3. Implement local health ordinance and health politics of DOH
4. Consistently provide basic health care services
5. Establish strong Service Delivery Network
